

RUSSIAN ENERGY FORUM

'Energy of the Urals', 'Electrical Engineering. Cable' Specialized Exhibitions OCTOBER 1-3, 2025 / UFA 2025

Program Draft dated September 4, 2025 The program shows local time.

BUSINESS PROGRAM TIMING

OCTOBER 1 WEDNESDAY

								IOBER	I, VVLL	MLSDA								
Venue:	9.00- 9.30	9.30- 10.00	10.00- 10.30	10.30- 11.00	11.00- 11.30	11.30- 12.00	12.00- 12.30	12.30- 13.00	13.00- 13.30	13.30- 14.00	14.00- 14.30	14.30- 15.00	15.00- 15.30	15.30- 16.00	16.00- 16.30	16.30- 17.00	17.00- 17.30	17.30- 18.00
Floor 1			New F	Opening Cer Production St f the Exhibition	art-up.													
Congress Hall (300 seats)						ENE AND	E FUTURE OF R ERGY: NEW CHAL SOLUTIONS' RY MEETING		Speakers		'Electricity Distribution Networks: Extrapo Digital Solutions from Megacities to Smal Section Organizers: Bashkirenergo, Bashkir Electric Grid Company Grou Target Group: Representatives of Companies involved in Dig Modernization of Power Grids, Municipal Services, Developers Distribution Networks							
Conference Hall 1 (65 seats)		Registration of Speakers, Delegates and Honorary Guests of the Forum			_	'Legal Barriers to the Introduction of A Russian Energy Sector: from Regulatory Contradictions to Pr Solutions' Section Organizer: Ufa Employer Associati		P Practical of Al in the or Practical of Batton		'Key Changes in the Legislation on Electric Power Industry in 2025' Section Organizer: Energy Sales Company of Bashkortostan Target Group: Company Heads and Specialists, Representatives of Government Agencies and Regulators, Experts and Analysts in the Electric Power Industry				Speakers	Organi Target Grou, Municipal Servic	lanufacturers and Su	he Republic Heads of State and d Suppliers of Outdoor	
Conference Hall 2 (100 seats)				Issues of Electrical Equipment Production Localization Section Organizer: Ufa State Petroleum Technological University Target Group: Heads of Energy and Mechanical Engineering Enterprises, Experts in Industrial Policy and Import Substitution, Engineers and Technical Specialists of Manufacturing Companies		30 minute	Do Orgal Target Groi Engineeri	'Import Suppression Energy Development Senizer: Bashkir up: Heads and Sping Enterprises, Eves of Government	bstitution for gy: Opportunit nts, Prospects ection Generating Co ecialists of Energy a ngineers and Techni It Bodies, Research sesign Organizations	mpany and Mechanical cal Experts, ars and Solution	30 minute break. s with the Forum Guests and	Educa Traini Section Org	Target Group: Designers, Engineers, Architects, Heads of State Municipal Services, Public Utillies, Manufactures and Suppliers of Lighting Equipment, Experts in Urban Development and Energy Section Gradient and Business: Mechanisms for Training Personnel for the Energy Sector' Section Organizers: Bashkirenergo, Bashkir Electr Company Group Target Group: Heads of Enterprises, Rectors, Employees of Universities and Vocational Schools, Experts in the Field of Personnel Provision and Planning 'Formation of a Central Platform for Interactibetween Participants in the Energy and Housin					
Main Stage (65 seats)									Informal	'Digital Boller Houses' Section Organizer: Water Supply and Disposal National Association Target Group: Specialists and Managers of Housing and Communal Services Enterprises, Power Engineers interested in Progressive Heating Systems to Improve the Reliability of Boiler Houses			30 m	'Formation of a Central Platforn			orm for Interaction rgy and Housing and r of the Region: Section ion-Computing	
Interactive Case Zone (65 seats)	ELECTRIC DAY Workshop S First Ald Tre Organizer: P Training C					Session: eatment ersonnel	ELECTRICIAN'S DAY Workshop Session: Aluminium Alloy 2.0 Organizer: Aluminium Association, Moskabelmet Companies Group				Informal	Scientifi Cur	d Ceremony fo ic and Technica rent Problems anizer: Bashkir (al Competition in Thermal En	to Solve ergy			
B2B Meeting Point											POWER ENGINEER'S DAY etings of Exhibition Participants with ower Engineers of Enterprises							
COMPETITION SITE Floor 1	10.3	**ELECTROMASTER OF THE URALS' COMPETITION: DAY ONE 10.30-11.00 Practical Stage: Installation of Switchboard and Group Electrical Network for Professionals' Room 11.00-11.30 Theoretical Stage: Questions on Safe Operation of Electrical Installations for Professionals Stage: Questions on Safe Operation of Electrical Installations														niors' Room 12.00-	12.30 Theoretical	
Floor 1		olage. Qi					of Labor, Social F	Protection, and Fam		EXCHANGE								

2 OCTOBER. THURSDAY

							2 00	IODE	ıx, 111¢	שטווע	~ i								
Venue:	9.00- 9.30	9.30- 10.00	10.00- 10.30	10.30- 11.00	11.00- 11.30	11.30- 12.00	12.00- 12.30	12.30- 13.00	13.00- 13.30	13.30- 14.00	14.00- 14.30	14.30- 15.00	15.00- 15.30	15.30- 16.00	16.00- 16.30	16.30- 17.00	17.00- 17.30	17.30- 18.00	
Congress Hall (300 seats)		'Energy of the Future' International Conference Organizer: Motors of the Future Advanced Engineering School of the Ufa University of Science and Technology Support: Bashkirenergo, Bashkir Generating Company Target Group: Energy Scientists and Researchers, Engineers and Technicians, Representatives of Organizations Involved in Energy Policy and Sustainable Development, Young Professionals, Sustainable Development Experts									'Law Enforcement Practice of Decree No. 2464 of the Government of the Russian Federation - Problems and Solutions' Section Organizer: Ministry of Labor, Social Protection, and Family of the Republic of Bashkortostan, State Labour Inspection in the Republic of Bashkortostan Interdisciplinary Institute Private Educational Institution, Federation of Trade Unions of the Republic of Bashkortostan								
Conference Hall 1 (65 seats)		'Investment Operations in Energy: Tasks and Prospects' Section Organizer: State Committee of the Republic of Bashkortostan on Tariffs. Target Group: Company Heads and Specialists; Representatives of Energy Regulators; Analysts and Experts in the field of Investments; Representatives of Financial Institutions (Banks, Funds) involved in Financing Energy Projects for the Energy Sector				Electric Netv C Target Group: Companie	ility of Power Su Grid Complex: 1 works, Operation Secti Organizers: Bashk Electric Grid Co Energy Industry Species, Regulatory Authoritis sors of increasing the I Operation of the Po	ndition of ation akir wes of Power Grid interested in Supply,		'Electric Infrastru Organi Advancer Ufa U Techno Developr and C Infrastr	c Transport: P cture and Ene Systems' Sect izer: Motors of t d Engineering S niversity of Social ment of Electric connected Tran ructure (Saint Po Charger Operators, I	roduction, rgy Storage ion he Future school of the ence and ion for the Unmanned sport and etersburg)		'Modern Approaches to Supplementary Vocational Education in Personnel Training' Section Organizer: Ufa State Petroleum Technological University Target Group: HR Specialists, Researchers and Practitioners in the field of Supplementary Vocational Education interested in Exchanging Experiences and Implementing Innovative Approaches to Training and Development of Personnel					
Conference Hall 2 (100 seats)		Supply S Housing an Section Or Target Group: In Energy and In Engineers and	Systems of End Communal and Prosperganizer: Bashl University Heads and Specialist Housing and Commit	kir State Agrarian / sts of Enterprises in the unal Services Sector, sts, Representatives of		'Rooftop Boiler Houses in a Centralized Heat Supply System: Experience, Problems, Tasks and Prospects' Section Organizer: Bashkir Regional Thermal Grid Assisted by: Association of Home Builders of the Republic of Bashkortostan Target Group: Designers, Representatives of Public Utilities and Housing and Communal Services Enterprises, Engineers Working in the field of Energy and Heat Supply of Buildings, Regional and Municipal Authorities					'Industrial Safety and PPE in the Energy Sector: Priority Areas for Development' Section Organize: Ufa State Petroleum Technological University Support: Bashkir Generating Company Target Group: Specialists of Enlerprises Responsible for Labor Protection and Industrial Safety, Representatives of State Supervision Bodies, Developers and Manufacturers of Personal Protective Equipment (PPE)				'TPP has No Place in the Wholesale Electricity and Capacity Market?' Section Organizer: Bashkir Generating Company Target Group: Tariff-setting Bodies, Representatives of Small TPP and Company Managers, Industrial Enterprises, Housing and Communal Servic Financial Institutions				
Main Stage (65 seats)		Section O Univers Target Grou	rganizers: Ufa sity, Bashkir Go Regiona up: Specialists in the gineering; the Scie. Engineering Organ. En	Thermal Power Er State Petroleum T enerating Compan al Thermal Grid e field of Thermal Power ntific Community, Heads izations, Developers and verye-fficient at and Technologies	echnological y, Bashkir Engineering and of Companies,	'Mining for Industrial Enterprises: Start or Delay' Section Organizer: National Agency for Energy Saving and Renewable Energy Sources (Moscow) Target Group: Heads and Industrial Enterprises interested in Business Diversification and Additional Monetization of Resources (Energy, Equipment, Premises) through the Implementation of Cryptocurrency Mining				Orgai Ass	Industry Secti nizer: Energoln sociation of Inno rises in the Ene (Moscow)	novation vative		Section End Organ	s for Assessin (Decree No. 2 ergy of the Rus nizer: Bashkir R Representatives of Re Network Specialist	234 of the Min isian Federation egional Therma esource Supply Con	istry of on) al Grid		
Interactive Case Zone (65 seats)		ELECTRICIAN'S DAY: Workshop Session: 'Features of Installation of Electrical Panels' Organizer: Sybcom JSC ELECTRICIAN'S DAY 'SONEL Professional Electrical Measuring Instruments: Modern Solutions for Specialists' Seminar Organizer: SONEL LLC (Moscow)								in Organizers	Addressing Gaps in Personnel Competencies' Section Organizers: Interdisciplinary Institute Private Educational Institution, Council for Professional Qualifications in Personnel Management (Moscow) EFFICIENCY Organizers: KURAZH Games Studio6 School Professional Education Organization of the Fund						SE SALES AND COMPANY Y' BUSINESS GAME I PRODAZH Transformational I of Entrepreneurship Vocational n Autonomous Non-Commercial of for Development and Support of the Republic of Bashkortostan
